Mission Statement: The mission of Friends of the River-Kansas City (FOR-KC) is to celebrate the heritage and promote the development of the Kansas City riverfront. The KCRiverFest is an annual activity making that mission a reality.

Impact Statement: FOR-KC is a young organization that has focused their attention on building a strong, diversified board and on marketing and communications to our members and friends. We also established partnership with other river oriented groups for events at the RiverFront. Our RiverFest event is the most recog(...See Profile for more information)
