Mission Statement: Youth Ambassadors is an educational program designed to empower under-served teenage youth with important life skills, soft job skills, creative expression and adult mentors who will help them become future community leaders willing and able to work for positive change.

Impact Statement: In 2017 we empowered over 200 teenagers with soft job and life skills needed to be productive community members. This year we strengthened our leadership program with two advanced life-skills curriculums based on best practices, concentrating on powerful lessons on personal change an(...See Profile for more information)
