INDEPENDENT AUDITOR'S REPORT

Mr. Jerry Cooke, Chair Audit Committee
Board of Directors
Urban Rangers
Kansas City, Missouri

We have audited the accompanying statements of financial position of **Urban Ranger Corps** (a nonprofit organization) as of December 31, 2009 and 2008, and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Urban Ranger Corps as of December 31, 2009 and 2008, and the changes in its net assets and cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES

A. Formation and Purpose of the Organization

Urban Ranger Corps (the Organization) was incorporated as a not for profit organization. Its Board of Directors and advisors manages the Organization. Urban Ranger Corps was formed exclusively for charitable and educational purposes, and no part of its assets or income shall be distributed to or inure to the benefit of any member of the Organization.

The principal purpose of the Organization is to hire, train and utilize local youth in jobs and to clean and repair neighborhood properties in the inner city of Kansas City, Mo.. Support for the various programs is derived from various contributions, and bequests.

B. Basis of Financial Statement Presentation

In accordance with professional standards, there are three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Net assets are reported as follows:

- Unrestricted undesignated net assets are unrestricted funds, which are available for any purpose.
- Unrestricted designated net assets are unrestricted funds designated by the Board for specific purposes.
- Temporarily restricted net assets represent contributions whose use by the Organization is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Organization pursuant to those stipulations. When a stipulated restriction ends or purpose of restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. There were no temporarily restricted net assets at December 31, 2009 and 2008.
- Permanently restricted net assets represent contributions and other inflow of assets whose use by the Organization is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Organization. The Organization did not have any permanently restricted net assets at December 31, 2009 and 2008.

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

With few exceptions, the Organization is not subject to review by the Internal Revenue Service for years before 2006.

D. Management Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at December 31 2009 and 2008 and the reported amounts of revenues and expenses during the year then ended. The actual outcome of the estimates could differ from the estimates made in the preparation of the financial statements.

E. Statement of Cash Flows

Cash and Cash Equivalents – For purposes of the statement of cash flows, the Organization considers all highly liquid debt instruments purchased with a maturity of three months or less to be a cash equivalent. For the year ended December 31, 2009 and 2008, there were no cash equivalents.

The Organization received 88% and 46% of its contributions from Board members and related parties in 2009 and 2008, respectively. This is not expected to change in the future.

NOTE 3 – SUBSEQUENT EVENTS

In May 2009, a new accounting standard was issued which established principles setting forth the period after the balance sheet date during which management is required to evaluate events and transactions that may occur for potential recognition or disclosure in the financial statements. This new standard applies to interim and annual financial periods ending after June 15, 2009. For the purpose of this accounting standard, the Organization has evaluated subsequent events through July 8, 2010.
